Equipsme health insurance plans

At XXXXXXXX we've teamed up with Equipsme to offer self-employed business owners affordable, flexible health insurance plans.

There are two different plans designed for the self-employed business owner and their families, starting at just £30 pppm.

Why Equipsme?

Equipsme do business health insurance plans with a difference. They launched in 2018 with a mission to make health insurance simple, accessible and affordable.

Now they help businesses of all sizes take care of their people, the self-employed take care of themselves and employees take care of their families – and their health plans are designed to be easy to understand and flexible for your business and your employees.

With Equipsme you can now afford award-winning health insurance. What's more, they're backed by some of the biggest names in healthcare, including AXA Health for added peace of mind.

"We all love the NHS, but we know it's overstretched and underfunded. Now we've all got some back-up" says a very happy Equipsme customer.
